Dazzle – A Celebration of Giving in Style

“Dazzle – A Celebration of Giving in Style,” Rotary Club of Morgan Hill’s inspired fundraising luncheon, runway fashion production, and dazzling designer displays filled with imaginative gifts is set for Friday, May 21.

Clos LaChance Winery in San Martin is the spectacular site for this year’s Dazzle. The event will kick off with a champagne reception and Raffle Dazzle, a series of creative gift and interior design displays each valued at more than \$500.

The runway fashion production and umbrella-shaded luncheon will be on the Tapestry Lawn overlooking the scenic Clos LaChance estate vineyards and CordeValle.

Event tickets are \$75 and available online at www.dazzlemh.org or phone (408) 779-3190. Seating is limited and the event is expected to sell out again this year, according to Dazzle Chair Jorge Briones.

Dazzle helps support the local service projects and charitable giving programs of Rotary Club of Morgan Hill, a service organization of Rotary International which has served the Morgan Hill community for 55 years.
